www.lapublichealth.org

Course Description:

This satellite rebroadcast and webcast will provide up-to-date information on the rapidly changing field of immunization. Anticipated topics include new recommendations for influenza vaccine and an update of the influenza vaccine supply, meningococcal conjugate vaccine, acellular pertussis vaccine for adolescents, and revised varicella vaccine recommendations.

Target Audience:

Health Officer/Director, Distance Learning Facilitator, Health Education, Maternal & Child Health, Public Health Nursing, Public Health Site Coordinator, Immunization Coordinator, Doctor, Medical Assistant, Medical Assistant Student, Medical Student, Nurse, Nursing Student, Resident, Health Department/Jurisdiction - California Only, Local, County, Health Department/Jurisdiction - Other States, Local, County, Clinic, Doctor's Office, Home Health, Hospital

Objectives:

After this broadcast, participants will be able to:

- List two recent immunization recommendations made by the Advisory Committee on Immunization Practices (ACIP).
- Describe two emerging immunization issues.

Continuing Education Credit will be offered for a variety of professions based on 2.5 hours of instruction

The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

This activity for 2.5 contact hours is provided by the Centers for Disease Control and Prevention, which is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditations.
